RE: DS-430-130-001
Medical Gas Extension Phase II

Attention: Mr. Joe Nichols,

This is to inform you that Western Maryland Hospital Center, and Donald L. Shives, Jr. are in acceptance of the above stated project number as a completed project. We have received my email signed and sealed approved copies of the O & M manuals, from Mr. Vernon Hampton and Mr. Pyare Diwana of M.S. Engineers, with the understanding that said physical copies will be mailed to us at a later date.

All parties are in agreement of said project DS-430-130-001 performed by Beaver Contractors, Inc., as satisfactorily completed project as of December 15, 2014. We thank them for a job well done, and it was a pleasure working with them.

Sincerely,

Donald L. Shives, Jr.
